TESTIMONIALS

"Came with work friends for our Christmas party, Turkey roast was beautiful & tasted so fresh. Service was first class, and the entertainment was enjoyable. Give NYL a try."

– TripAdvisor Member December 2017

"Been coming here since it opened years ago. I have brought both friends and family. Recently visited with my friends in December. I really cannot say a bad word about this place! The staff are lovely and welcoming, they know their cocktails and happy to recommend depending on what you like! And the cocktails I would say are the best I've had! The food too is just as good. The atmosphere in the bar and restaurant is very comfy and the live bands are really enjoyable to watch/listen to. If visiting Liverpool I would definitely advise a visit to this place! "
