

Downtown Lockdown Packages

Downtown Lockdown Packages

I Introduction

Since launching in 2003 DIB has worked tirelessly to expand our reach, establishing our brand in different cities, creating a comprehensive and eclectic events programme, developing a range of media platforms and providing a voice for business with senior decision makers and politicians.

We have a track record of being able to evolve and deliver a range of services in keeping with the times, which is why we are introducing a range of 'Lockdown Packages' that will suit the needs of those individuals and businesses who are facing short-term challenges, but have no intention of isolating their company from developing new business and new connections.

So, we are excited to introduce the DIB '2020' Club that will enable a broader group of people to join the dynamic Downtown network.

Think of this as a chance to fill up your little black book with senior decision makers who can help you grow your business; your opportunity to be inspired and stay informed; your springboard to a future where you can thrive not simply survive.

Introduction

Individual 2020 Club membership

The Pay as you go Package

£ £45.00 per month

During these uncertain times we understand people might not want to be tied down to a fixed term contract but want to stay in touch with and remain visible in the business community. This package will allow you to attend on-line policy forums and social networking events, helping you with lead generation and keeping you informed with what you need to know about your city.

Access to four 'By Invitation Only' events with leading local, regional, and national politicians, decision makers and entrepreneurs in a DIB region of your choice.

Opportunity to attend all online policy forum and social networking events.

Opportunity to feature in DiB communication platforms to raise your individual profile, your brand, and your products.

Company Club 2020 membership

Six-month membership

£ £450.00 plus VAT

(6 monthly payment option available)

This package is perfect for companies who are determined to maintain profile, increase connections and 'be prepared' for life post-COVID19.

Access to four 'By Invitation Only' events with leading local, regional, and national politicians, decision makers and entrepreneurs in any DiB region.

Opportunity to attend all policy forum and social networking events during the year.

Opportunity to feature in DiB communication platforms to raise your company profile, your brand, and your products.

Account manager who will facilitate B2B into your target market at decision maker level.

10% off all DiB gala awards evenings.
