Q

## What's changing?

Join us for an exclusive event where we'll walk you through everything you need to know about the upcoming changes to Making Tax Digital (MTD) for Income Tax Self Assessment.

With HMRC's digital transformation on the horizon, it's crucial to understand how MTD will impact the way you keep records and submit tax information. Our expert team will break down the requirements, timelines, and tools you'll need to stay compliant - and ahead of the curve.

**What to Expect:**

- A clear overview of MTD for Income Tax
- Practical guidance on how to prepare
- Q&A with our tax and digital systems specialists
- Support options tailored for you

Whether you're a landlord, a sole trader, or simply want clarity on what's changing, this event is designed to make the transition smooth and stress-free.

*Xero representative in attendance in Liverpool, Manchester and London*
