Northern Power Towns Parliamentary Reception

Wednesday 22nd April 2026

1:00pm - 4:00pm

Terrace Pavilion, House of Commons, Westminster

| Introduction

Downtown in Business (DIB) is proud to present the **Northern Power Towns Parliamentary Reception**, a high-level gathering in the heart of Westminster bringing together civic leaders, business influencers, investors, and parliamentarians to champion the economic potential of **Cheshire, Lancashire, and Cumbria**.

This prestigious event will celebrate the ambition and innovation of towns across the North of England—those driving regeneration, enterprise, and opportunity—and will serve as a platform to promote **devolution, inward investment, and private-public collaboration**.

The reception will shine a national spotlight on the “Northern Power Towns” agenda, building momentum behind plans to:

- Secure meaningful **devolution settlements** for Cheshire, Lancashire, and Cumbria.
- **Attract private sector and foreign direct investment (FDI)** into regional growth projects.
- **Lobby for additional government funding** to support business-led regeneration.
- **Raise the profile** of the Northern Power Towns network across Westminster, Whitehall, and the UK's business community.

Hosted by Downtown in Business in partnership with key regional stakeholders, this event will convene over **150 senior figures** from politics, business, and the media.

| About Downtown in Business

Award winning Downtown in Business (DIB) is the fastest growing business organisation in the North of England and the West Midlands, with offices in Liverpool, Lancashire, Manchester, Leeds, Birmingham, Cheshire, Wolverhampton, Newcastle, and London. DIB was named by the Sunday Times business team as one of the most influential business organisations in the North.

With a strong membership of companies from across the country, and a quality network of connections within the private and public sector, DIB is well placed to connect industry leaders with political leaders and public sector decision-makers.

Our membership represents a diverse range of sectors and includes ambitious small and medium enterprises, alongside some of the biggest companies in the UK. DIB works in partnership with many public-sector agencies and quasi-public-sector organisations including Combined Authorities and mayoral offices, local authorities, and Whitehall government departments.

DIB also has strategic partnerships with Manchester City Council, Marketing Manchester, Leeds City Council, the Northern Power Towns Association, the Chester BID Company, the Preston Partnership, the West Midlands Growth Hub, Invest Wolverhampton, Invest Newcastle, the Liverpool City Region Combined Authority, Best for Britain, and the Tony Blair Institute.

DIB works in partnership with Liverpool, Manchester, Birmingham, Wolverhampton, Newcastle, Lancashire, Cheshire, and Leeds on the property festivals MIPIM and UKREiiF.

In addition to offering excellent B2B services, DIB is a leading independent lobbying business group, and influences at local, regional, national, and international level.

DIB boasts an exclusive database of over 30,000 contacts and an additional 40,000 plus followers on social media platforms, enabling us to market and profile your organisation to our extensive list of supporters and followers.
